Embassy informed Foreign Office of German, Irish and British positions re overflight IL-18s in reference telegram. In response Embassy urging, Foreign Office said since Germans have not given clearance and Irish are delaying reply to Cuban request, GOB will continue to delay and will take no action in reply to Cubans pending further developments.

AIR

Comment: Prompt Bonn reply and Dublin reference telegram were most helpful because under pressure from technical services Foreign Office was beginning to worry about continuance (#) interruption of normal procedures and fear putting Sabena in disadvantageous position and therefore press for more conciliatory approach. Foreign Office now cheered by fact Cuban target date of November 19 already passed without flights being made, as well as because others than Belgium have not given Cubans clearances requested.
